Rack-n-Stack

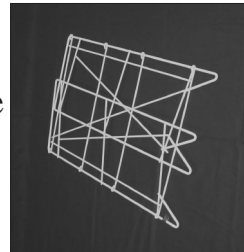

Assembly Instructions

3 Shelves

Box Contents

1 Rack-n-Stack Frame

Assembly Instructions

(1) Remove Rack-n-Stack Frame from box, unfold side panels 270 degrees in the opposite direction from which they are folded (*very important*). See illustration 1.

(2) The Rack-n-Stack Frame should be able to stand without aid. See illustration 2.

(3) Remove Shelves from box, and begin hooking the Shelves onto the horizontal wires located on side panels of Rack-n-Stack Frame. Work your way up by hooking Shelves from the bottom level to the top level. See fully assembled Rack-n-Stack illustration.

Note: Front of shelf has shorter horizontal cross wire. Back of shelf has longer horizontal cross wire.
